Gyan Sthali Academy

#### Higher Secondary School

## PROJECTS

### Kanpur Metro App

A production-ready mobile app for Kanpur Metro commuters with real-time journey planning, accurate fare calculations, and offline-first architecture. Serves 30,000+ daily riders.

### LocalConnect- for My Hometown

Developed a mobile app to help residents of my hometown find and connect with trusted local service providers such as electricians, plumbers, and carpenters. Enabled direct contact via phone and WhatsApp, making local services more accessible and reliable for the community.

### Tripflow- Trip planning platform

Transform your travel dreams into reality with our intelligent drag-and-drop planner.
